

## Alaskan Malamute & Siberian Husky Social Club of Queensland Inc.

PO Box 1037  
GAILES Q 4300  
secretary@amsqc.com.au

### **Working Weight Pull Dog (WWPD)**

1. The event must be held under I.S.D.R.A., I.W.P.A., Alaskan Malamute & Siberian Husky Social Club of Queensland Inc. rules or interstate equivalent.
2. The dog must pull the qualifying weight in four (4) separate events.
3. The dog is to be weighed before each event. Written verification of weight, signed by a veterinarian or other qualified person is acceptable, provided it is no older than seven (7) days prior to the event. Weight may be rounded to the nearest kilogram if desired.
4. Qualifying weights are as follows:
  - On a natural surface such as snow, dirt or grass, the weight pulled must equal or exceed eight (8) times the dog's body weight.
  - On an artificial surface such as concrete, tarmac or carpet, the weight pulled must equal or exceed twelve (12) times the dog's body weight.
5. When submitting a completed log card, originals of weight certificates for each event are to be attached.

\* For full details of weight pull contests and procedures refer to AMSHSCQ Weight Pull Rules.
